

website cookie policy

This site uses cookies. A cookie is an information file that we store on your equipment, such as your computer or mobile device, when you visit our website, and which is subject to your consent.

Cookies are generally used to retain user preferences, store information, and provide anonymised tracking data to third party applications. Cookies are normally designed to make your browsing experience better.

You may prefer, however, to disable cookies on this website and on other websites. The most effective way to do this is to disable cookies in your browser.

If you need further information on cookies, their use and how to manage them, please visit www.aboutcookies.org.
